

# **MISSION STATEMENT**

## *A School you can put your Faith in*

Learning from the example of St. Francis we celebrate and nurture each other's God-given gifts within a caring and safe Christian family. We are committed to providing an excellent Catholic education for all, in partnership with parents and the wider community.

### ***Core Values***

Our Catholic school provides opportunities for every member of this community to learn more about faith, and celebrate it daily, growing closer to Christ and one another.

Every member of this school community is valued, and entitled to equality of opportunity. We believe that every individual has God-given talents, and are committed to providing the opportunities for them to achieve their academic and physical potential.

We are committed to a strong and supportive partnership between pupils, parents and staff, promoting a continuation of the close links between primary Schools and the wider parish communities.

We endeavour to provide an environment in which self-discipline, respect and care for others is evident. Pupils are encouraged to take pride in their appearance and surroundings, and feel privileged to act as ambassadors for the school.
