

# Let's support St Giles!

Did you know, it takes £850,000 every single month just to keep St Giles services going?

Let's help our community during these uncertain times. You can send in your photos of your **Orangeness** and home challenges to raise money for St Giles to [charity@stfrancis.cc](mailto:charity@stfrancis.cc)

We will share the as many as we can, on our web page and Facebook. Let's turn **Orange!**

**Wherever you are, whatever you do, make sure it's orange this Orange Month!**

**When?** 4th May – 8th May

**Where?** At work or at home!

**What?** Go **orange** for one day, the whole week, in support of St Giles!

Simply think of a 'bright' idea – from wearing some wonderful **orange** attire, to decorating your desk/home in all things **orange** – or if you're at home you could walk 'virtual miles for St Giles' to help us raise vital funds for local people.

Please send money to the link below. The money will go straight to St Giles.
