

Careers News - 22/04/21

University of Wolverhampton Finance Talks - The University of Wolverhampton delivered a virtual presentation about student finance and budgeting whilst at University to our sixth form students on Tuesday 20th April.

Walsall College – Walsall College will be holding their first onsite open day on Saturday 22nd May from 10am until 2pm. To register an interest please visit <https://www.walsallcollege.ac.uk/event/may-open-day/>

Juniper Training –Juniper courses focus on supporting students to achieve the skills, qualifications, knowledge and experience they need to progress in their chosen career. The aim is for all students to develop the required skillset, achieve relevant qualifications (including English and maths GCSE re-sits where necessary) and importantly the experience employers are looking for in their workforce. Their pathways support students to progress onto an apprenticeship, into employment or further education. They are now interviewing for their August / September 2021 intake do visit www.junipertraining.co.uk for more information.

Apprenticeship Search – Firefly is regularly updated with details of recent apprenticeships that might be suitable for our year 11 or year 13 students who have decided that would like to go straight into the world of work after completing their school studies. Please also visit www.findapprenticeship.service.gov.uk for latest positions.

Work Experience – Please login and register on www.speakersforschools.org to search and apply for work experience / insight days. There are plenty of opportunities available for school holidays and weekends which can be approved. You will need to apply for any positions you are interested in, but don't worry as you can apply for as many different ones as you like and the application process is all part of gaining relevant experience!
