

St Francis of Assisi Catholic College

Student Transport Provisions

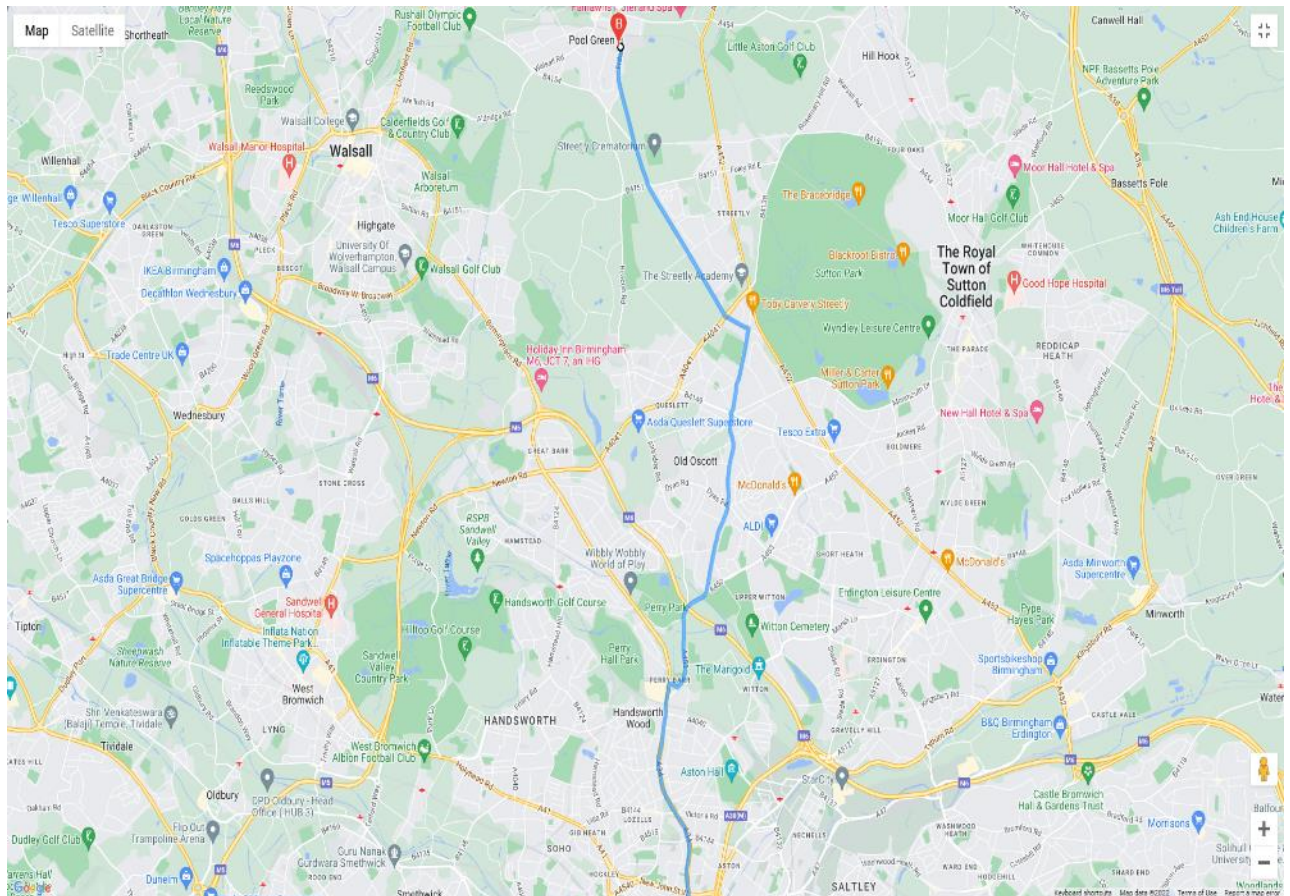

The majority of students attending St Francis of Assisi Catholic College use a form of transport to travel to and from school. Our students travel to school from all areas of the West Midlands and Staffordshire.

Walsall, Sutton Coldfield, Perry Barr, Great Barr and Birmingham Students

National Express West Midlands run a number of public services from Walsall, Great Barr, Birmingham City centre and Sutton Coldfield which either stop outside the school or a 5-minute walk in Aldridge town centre.

The most popular services include the 937, 997 & 936 from Birmingham to Brownhills (via Perry Barr, Kingstanding, Streetly, Aldridge and Walsall Wood) which stops directly outside school.

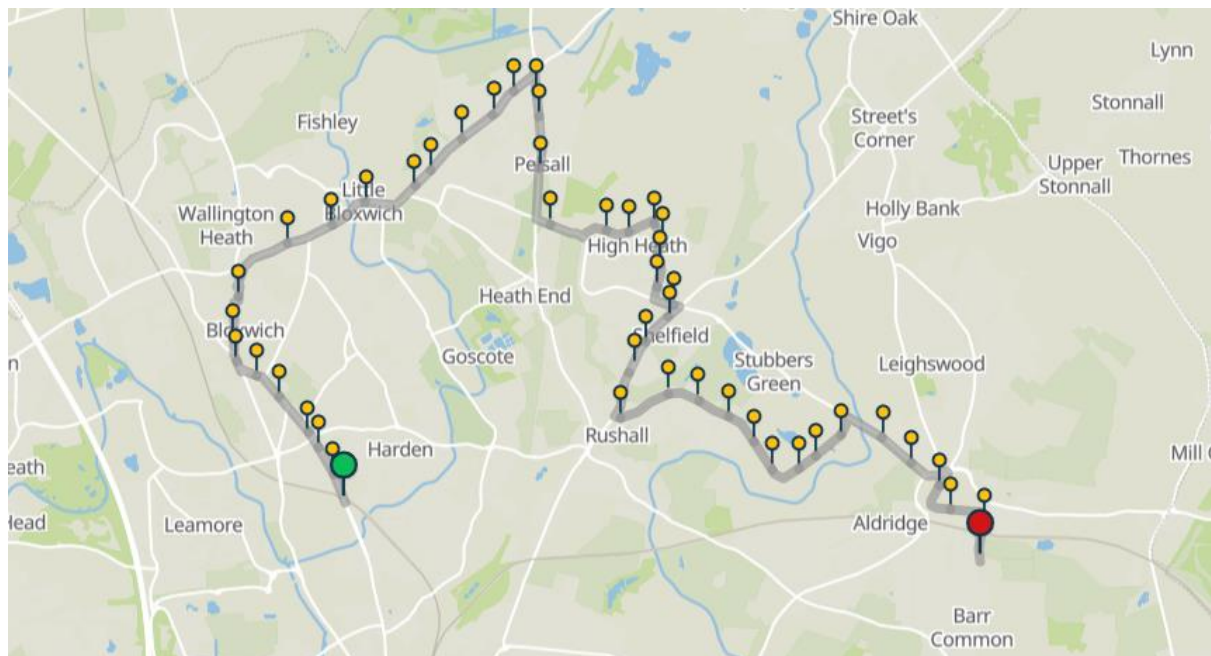

The route can be seen below.

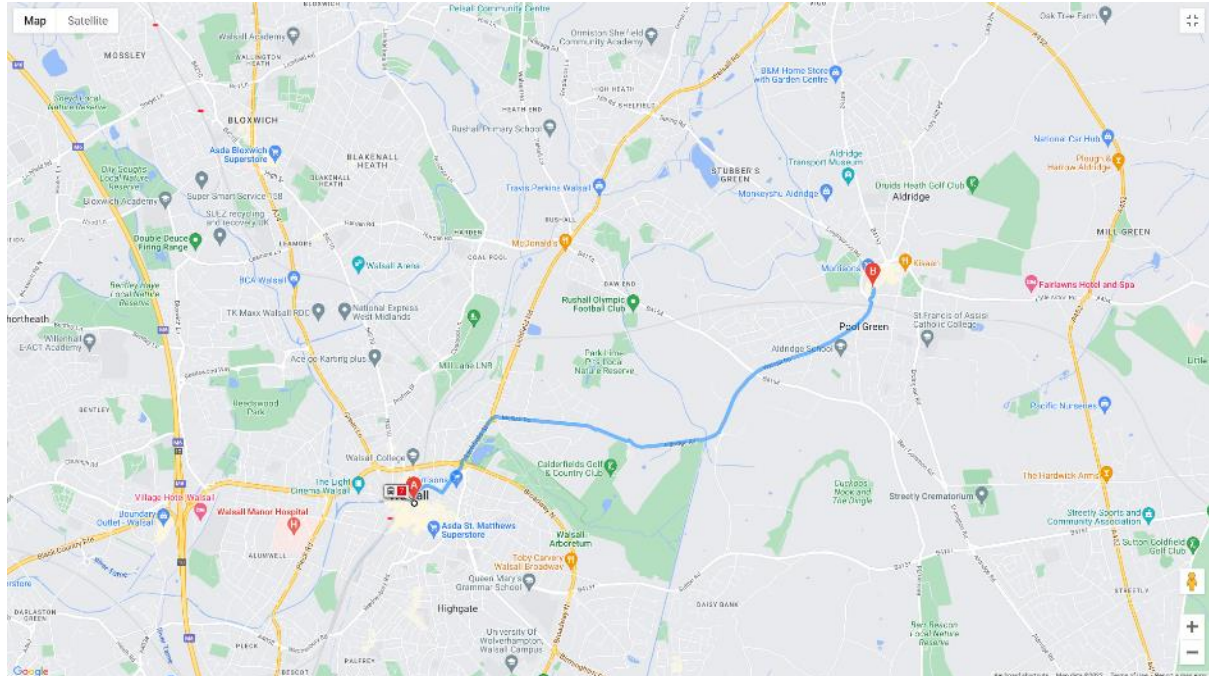

The 159 Service is a very well utilised service. There is only one morning service which comes direct into the school.

The stops below highlight the general direction of the service but in total there are over 25 stops on the route into school.

	TWM Walsall Garage		0750
	Bloxwich Park Road		0800
	Pelsall Cenotaph		0814
	Shelfield Co-op		0822
	Aldridge Shopping Centre		0834
	St. Francis of Assisi		0838

The route can be seen below.

I want to be a bus driver

Tamworth & Lichfield Students

St Francis of Assisi Catholic College serves over 130 of our students in the Tamworth and Lichfield areas. We have 2 dedicated school buses which collect and return students in the morning and after school direct into the school Site.

These services are called the SFA 1 and SFA2, they are run by National Express Travel West Midlands on a contract basis, therefore the school administers the cost and passes for these services.

The cost of yearly buss pass is £750 from Tamworth and £500 from Lichfield, payments can be made weekly, monthly, termly or yearly. The school subsidises this service by £50,000 a year to ensure these costs remain consistent year on year.

We are absolutely delighted to announce that from September 2022 these services (The SFA 2) will also serve Lichfield town centre.

Please note that the cost is for the seat for the year not for the journey so the costs must be paid even if a student does not attend school that day, all payments are made via Parentpay.

Parentpay accounts will be setup for new starters (Year 7 and Year 12) mid-September so we allow 3 weeks grace for accessing the service without a pass, this allows students to start using the service immediately in September.

SFA1

These services will operate from **5th September 2022** and are only for the use of pupils of St. Francis of Assisi Technology College who are in possession of passes specifically valid for use on these routes. Passes are available through St. Francis - please contact them directly for full details.
