

Summer 2022 – Y13 post-results services

Dear student,

If you are not happy with your results, there are several services available to you. These services come with a fee which you will be required to pay before requests are submitted. If your grade changes as a result of a request, the fee will be refunded to you.

If you wish to make a request for a post-results service, please email exams@stfrancis.cc by the deadline dates as stated below. Requests will only be submitted once full payment is received and must come from the student – requests from parents/guardians will not be accepted.

Access to script

A copy of your exam script can be requested for the following purposes:

- To support reviews of marking; and/or
- To support teaching and learning.

Review of marking

This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly. A marking error can occur as a result of:

- An administrative error;
- A failure to apply the mark scheme where a task has only a 'right' or 'wrong' answer;
- An unreasonable exercise of academic judgement.

Please note, that your grade can go up, down or stay the same as a result of a review of marking. There is no grade protection.

Clerical re-check

This service will include the following checks:

- That all parts of the script have been marked;
- The totalling of marks;
- The recording of marks.
