Walsall Council

PROUD of our **Past** our **PRESENT** AND FOR OUR **FUTURE**

Welcome

Admission to Secondary School in September 2022

I am delighted to welcome you to Walsall's guide for parents about admission to secondary school in September 2022. This provides advice and guidance on the process for applying for a secondary school place for September 2022. If your child was born between 1 September 2010 and 31 August 2011 they are due to transfer to a secondary school in September 2022.

I am pleased to say that last year approximately eight out of ten children in Walsall secured their first preference school, with 94% securing one of their preferred schools. To increase your chance of securing a place at one of your preferred schools it is advisable to express a preference for five schools, the maximum number that you can apply for. Failure to do this may result in disappointment with the school place that is allocated to your child.

Before making your online application, it is recommended that you do the following:

- Explore school websites, read school admissions policies and entry criteria to help you understand how places are allocated.
- Try to attend school open evenings and speak to school staff. Ask under what criteria the school filled last year. This will give you an idea under which criterion your application is likely to be considered and increase your likelihood of making a successful application.
- This year some schools may be considering holding 'virtual' open evenings so please refer to each individual school website for more information. This information is on page 14 of this guide.
- Consider how your child will travel to and from school.
- Remember to apply by the national closing date of **31st October 2021** as submitting a late application will impact on your chance of being offered a place at one of your preferred schools.

Every Walsall school is committed to giving your child the best possible start to secondary school, helping them to enjoy their secondary school experience and achieve their full potential.

The School Admissions and Appeals Team are available to support you through the application process and can be contacted via email at schooladmissionsadvice@walsall.gov.uk.

If you would like advice about submitting your online application then please contact the team who will be pleased to assist you.

Every best wish to your child for a successful transition to secondary school.

Yours sincerely
Sharon Kelly

Your child's transfer to secondary school: Frequently asked questions

How do I apply for a place at a secondary school?

You should apply **on-line** by logging on to www.walsall.gov.uk/education and following the link provided, and then following the instructions given.

When making an application, you must name all of the schools where you wish your child to be considered for a place. These should be listed in order of preference, including Walsall schools or schools in other authorities.

If you wish to apply for a Specialist Music Place at Aldridge School or a Specialist Sports Place at Ormiston Shelfield Community Academy, you must name these as separate preferences. If you wish to also apply for a place at the schools, please name the schools separately. If you are expressing preferences for both options at the same school, you must rank the preference for the specialist place higher than the preference for the school place, this is because preferences are considered in the order that they are listed on your application.

Secondary Schools in Walsall

There are 18 secondary schools in Walsall, offering 20 options for preference. These are the only Walsall schools that can be entered on your application. There are other schools in Walsall for which applications must be made directly to the school. Examples include Abu Bakr Girls' School, Abu Bakr Boys' School and Hydesville Tower School.

There are 16 secondary schools in Walsall where places are offered to boys and girls of all levels of ability:

- 2 Catholic voluntary aided schools
- 14 Academies

At the following four schools, all or some of the places are offered based upon the performance of children in an entrance examination, a musical audition or an aptitude test for sports, set by the schools:

- Queen Mary's Grammar School and Queen Mary's High School are selective, single-sex schools (both Academies)
- Aldridge School offers Specialist Music Places
- Ormiston Shelfield Academy offers Specialist Sports Places

How do I apply for a school outside Walsall?

If you live in Walsall you can also apply for places at schools outside the Walsall borough by naming your preferences for those schools in your on-line application. For information about admission criteria for schools outside Walsall you are advised to obtain a copy of the maintaining LA's information booklet or look at the Authority's website. Will I need to provide any additional information?

If you name any of the following schools in your application, you must also complete the school's own registration form. This is available to download from the Walsall Council website (www.walsall.gov.uk). If you are intending to name any of the following schools, please contact the school to request a registration form:

- **Aldridge School Specialist Music Place (separate preference from Aldridge School)**
- **Brownhills Ormiston Academy**
- **Queen Mary's High School (for Girls) complete the on-line registration form on the school website**
- **Queen Mary's Grammar School (for Boys) complete the on-line registration form on the school website**
- **Ormiston Shelfield Community Academy – Specialist Sports Place (separate preference from Ormiston Shelfield Community Academy)**
- **Shire Oak Academy**
- **The Walsall Academy**

The school's own registration form must be returned directly to the secondary school concerned by **31 October 2020**. (or in the case of Queen Mary's Grammar School and Queen Mary's High School by 8 July 2021). You **must** also name the school or Specialist Place on your on-line application.

Your application **WILL NOT** be considered unless **BOTH** are completed and returned on time. Other schools outside Walsall may also require you to complete a registration form or to provide additional information, so please remember to check with the relevant Local Authority.

St Francis of Assisi Catholic College, St Thomas More Catholic School, Brownhills Ormiston Academy or Shire Oak Academy

If you wish to express a preference for either or both of Walsall's Catholic Secondary Schools, Brownhills Ormiston Academy or Shire Oak Academy, you will need to send any required supporting information, e.g. baptismal certificates and letters from a minister of religion, directly to the school, together with a completed **Supplementary Information Form** – available to download and print from the school admission pages of the Walsall Council website or the website of the school. Supplementary Forms are also available on request from the School Admissions and Appeals Team or the school.

Blue Coat Church of England Academy

If you wish to express a preference for Blue Coat Church of England Academy, you will need to complete a **Supplementary Information Form** or a **Foundation Place Form** – available to download and print from the school admission pages of the Walsall Council website or the website of the school. Supplementary forms are also available on request from the School Admissions and Appeals Team or the school.

When should I apply?

See also important dates on page 5. The closing date for receipt of applications is **31 October 2021**. Applications received after this date will be considered until after those applications received on time unless there are exceptional reasons. This may result in your child not being offered a place at your preferred school.

For information about schools in neighbouring local authorities, please contact the relevant local authority or other local authorities. Contact details can be found on page 6.

What happens if I do not submit my application by 31 October 2021?

Secondary school applications can only be made through Walsall Council's on-line portal up to 31 October 2021. Late applications received between may be considered as being on-time but only where there are exceptional circumstances.

Late Applications received between 30 November 2021 and 28 February 2022 **will only** be processed after all other applications have been finalised and you will not receive your offer until after day. Such applicants are less likely to be offered their preferred schools.

Late Applications for Walsall secondary schools received up to 4 weeks after the Closing Date (between 1 November 2021 and 29 November 2021):

Late applications received up to four weeks after the closing date may be considered as being on-time but only where there are exceptional circumstances:

- Where the family was unable to complete the online application form by the closing date because they moved into the Borough of Walsall after the closing date.
- The family was unable to comply with the admission timetable because of exceptional circumstances that prevented the submission of an on time application.
- When a lone parent has been ill for some time.

In these cases applicants must set out the reasons for the exceptional circumstances and evidence must be provided. This will be subject to verification by the School Admissions and Appeals team. Please refer to Page 49 for more details about Walsall Council's Late Application Policy.

What happens if I would like to change my school preference after I have submitted my application?

Up to the closing date of **31 October 2021** parents may change their preferences if they wish to do so. Preferences which are changed or added after the closing date without evidence of a significant change in circumstances will be processed as late applications. When notifying a significant change of circumstances the applicant must supply documentary evidence to confirm the change. An example of a significant change of circumstances is a house move that necessitates a change of preference(s). This would need to be validated by documentary evidence such as a solicitor's letter confirming exchange of contract or a copy of the tenancy agreement.

Won't my child automatically transfer to secondary school from his/her present school?

Children do not automatically transfer from primary to secondary school, other than at Bloxwich Academy see page 19 for further details. Every parent must complete an on-line application to ensure that their child is considered for a place at their preferred school. Where a parent does not make an application for any school, a place at the nearest Walsall school with places available will be offered. This may not be your local school and transport assistance may not necessarily be provided.

If my child has an older sibling already in attendance at my preferred school, do I still have to apply?

You must submit an application for your preferred school by the closing date regardless of whether or not your child has an older sibling at the school at the time of admission. Details of 'siblings' definitions can be found within the school's admission arrangement on their website.

When will I know the outcome of my application?

If you make an 'on time' application you will receive the outcome of your application by email (please see page 4 for details) on Monday 1 March 2021.

In the case of offers to Walsall resident children for places in schools outside Walsall, Walsall Council will make offers on behalf of the relevant local authority.

How many places are available at each school?

Each school has a Published Admission Number which is the maximum number of pupils that the school will admit, taking into account the accommodation and resources available. The published admission number for each school is shown on the school information pages. You will also find information about how places were allocated in previous years on these pages.

What is the Co-ordinated Admissions Scheme?

The scheme indicates the way in which Walsall Council will co-ordinate admission arrangements. The purpose of the scheme is to ensure that each pupil living in Walsall receives only one offer of a school place on the same date, whether that is at a school in Walsall or at one maintained by a neighbouring authority.

The neighbouring authorities' co-ordinating in this scheme are: Birmingham, Dudley, Sandwell, Staffordshire and Wolverhampton.

Details of how the scheme operates are given on pages 46 to 48.

What can I do if I am unhappy with the school offer made?

When you receive notification of your school place you will receive information on how to proceed if you are not satisfied with the school place you have been allocated.

You can contact the School Admissions and Appeals team via email at schooladmissionsadvice@walsall.gov.uk. They will be able to advise you which other schools have places and explain the options available to you.

You have the opportunity to appeal against the decision to an Independent Appeals Panel. Details about how to appeal are set out at page 50 of this booklet and will also be provided in your offer email.

Where appeals are lodged after the deadline date, this may result in the appeal not being heard in the summer term.

What if my appeal is unsuccessful?

The decision of an Independent Appeal Panel is final and binding on all parties.

Repeat appeals cannot be considered in the same academic year unless there have been significant and material changes in the circumstances of the parent, child or the school.

In the event of your appeal being unsuccessful, you may wish to contact the School Admissions and Appeals Team who will be able to advise you which schools have places available.

How do I put my child's name on a waiting list if my application is unsuccessful?

If your child has not been offered a place at your most preferred school and a place has been offered at a lower preference school, your child's name will automatically be placed on the waiting list/s of any Walsall schools that were named as higher preferences on your original application.

Waiting Lists for all Walsall schools except for Walsall Academy, will be maintained by the Local Authority until the last day of Autumn Term 2021. Parents wishing to add or enquire about their child's position on any waiting list by contacting the School Admissions and Appeals Team.

Parents with an enquiry about their child's position on the waiting list for Walsall Academy should contact the academy directly. Waiting lists will be held and maintained by Walsall School Admissions and Appeals Team until the end of the Autumn Term 2021. Parents who wish their child to be added to any Secondary School waiting lists from January 2021 onwards should complete the Local Authority's Mid-Year Application Form.

Please see further information about the Waiting List Policy on page 50.

Who should I contact if I have any queries about the admissions process?

In the first instance please refer to the Walsall Council website for information at www.walsall.gov.uk/education

However, if you require additional support, please contact the School Admissions and Appeals team at schooladmissionsadvice@walsall.gov.uk and a member of the team will contact you about your enquiry.

Changing schools during the school year - Midyear Admissions

Moving your child to another secondary school is a very serious step to take. It can affect your child in many ways. It is important that you consider whether a transfer is really the best option. Before deciding to move your child to another school, please read this information carefully.

Moving to a new school may not mean that a problem is solved – it can happen again and could be worse because your child will not know new teachers and pupils, and your child's needs will not be known by school staff.

Most things that worry parents and pupils can be resolved without the need to move schools. Talking to your child and staff at your child's present school should make a transfer to another school unnecessary in almost all circumstances.

While all schools follow the National Curriculum, schools will teach different topics at different times of the year. If your child moves schools, he or she may miss work which will affect his or her ability to be entered for, or succeed in, examinations and national tests. This is especially important once pupils reach Years 10 and 11, when it is possible that their preferred options may not be available at a new school.

There may be some circumstances when a change of school is unavoidable, for example:

- where a child in public care has moved carers and direct travel to the existing school is not possible;
- where a child receives an Education, Health and Care Plan which names the school;
- a house move into Walsall;
- a house move within Walsall where direct travel to the current school is not possible;
- where a court order makes it impossible for the child to continue attending his or her current school.

If none of the above circumstances apply, we strongly advise you to take the steps outlined below before seeking a change of school.

If your child is unhappy at school or you feel he or she is being bullied: speak to the child's class teacher, or make an appointment to see the head teacher.

If you have a complaint about the school, the teachers or the work your child is doing: if it cannot be resolved by the teaching staff or the head teacher, put your complaint in writing to the school's Governing Body.

If your child is not attending school: talk to your child about why he or she does not want to attend and speak to the teachers. You can also talk to an Education Welfare Officer.

If your child has special educational needs: speak to the teacher in charge of special needs (SENCO) or contact the Special Educational Needs Team Check email.

To complete your midyear admission application on-line visit:

www.walsall.gov.uk

You can follow the link to Education – School Admissions - Midyear Admissions and you will find step by step guidance to filling in the on-line application.

Special Educational Needs

Many young people will have Special Educational Needs at some time during their school careers but in the majority of cases these needs can and will be met within the young person's own school. All schools in Walsall are required to follow the guidance as set out in the Special Educational Needs and Disability Code of Practice in order to identify young people considered to have Special Educational Needs.

All schools have a policy on Special Educational Needs and a designated Special Educational Needs Co-ordinator, usually referred to as the SENCO. In addition all schools have a designated governor who takes responsibility for ensuring provision to meet the Special Educational Needs of the young people in the school is made. All young people should be supported in their learning through a differentiated curriculum and personalised learning but some young people will be given additional support if required through 'SEN Support' or an Education, Health and Care Plan. More details about the secondary school admissions process for children with an Education, Health and Care plan are set out below.

If you have concerns about the provision being made for your child, you should always discuss these with staff in your child's school who may include the class teacher, form tutor, SENCO and Headteacher. However, if you need further advice or guidance about Special Educational Needs you can contact Walsall SENDIAS service at Walsallsendiass@family-action.org.uk or on 0808 802 6666.

Walsall Local Authority is committed to working in partnership with parents and carers.

What happens if your child has an Education, Health and Care Plan?

The admission of a child with an Education, Health and Care Plan to a school is the responsibility of the Local Authority (LA) which maintains the child's Education, Health and Care Plan. This is the Authority to which you pay your Council Tax.

The Government has set a different timescale for the admission process for children with an Education, Health and Care Plan. This means that places will be given to children with a statement or Education, Health and Care Plan before places are allocated to other pupils.

From 15 February 2022, the Education, Health and Care Plan will be amended to name the secondary school that the child will attend in September 2022. The exceptions are the grammar schools where admission is determined by the schools' own entrance examinations. The Education, Health and Care Plan for any pupil obtaining a grammar school place will be amended after those places are allocated.

Parents or carers of children who live in Walsall should apply on-line on via the Walsall Council Admissions Portal or alternatively express their preferences using the form that will be sent to them as part of the Education, Health and Care Plan phase transfer process. When applying via the online portal parents and carers should make sure that they indicate on the application that their child has an Education, Health and Care Plan and The School Admissions and Appeals Team will forward details of all relevant applications to the Walsall EHC Assessment Team, who will complete the process.

Please note that it is not possible to list a preference for a Special School on the online application and parents who wish to apply for a Special School place need to submit an application on a Special School preference form. These forms are available on request from the School Admissions and Appeals team at schooladmissionsadvice@walsall.gov.uk

Children undergoing an Education, Health and Care Plan Needs Assessment

Where a child is undergoing a needs assessment for an Education, Health and Care Plan the date of issue will be dependent on the date that the application was made and it may not always be possible to issue the plan in accordance with the 15 February 2022 timescale. Where the decision to issue an EHC plan is made after the 15 February 2022 the EHC

assessment team will continue to consult with both the existing school and the school identified by Secondary Admissions, as well as any parent preferences for schooling made as part of the EHCP process, in order to identify the child's school placement as quickly as the process permits.

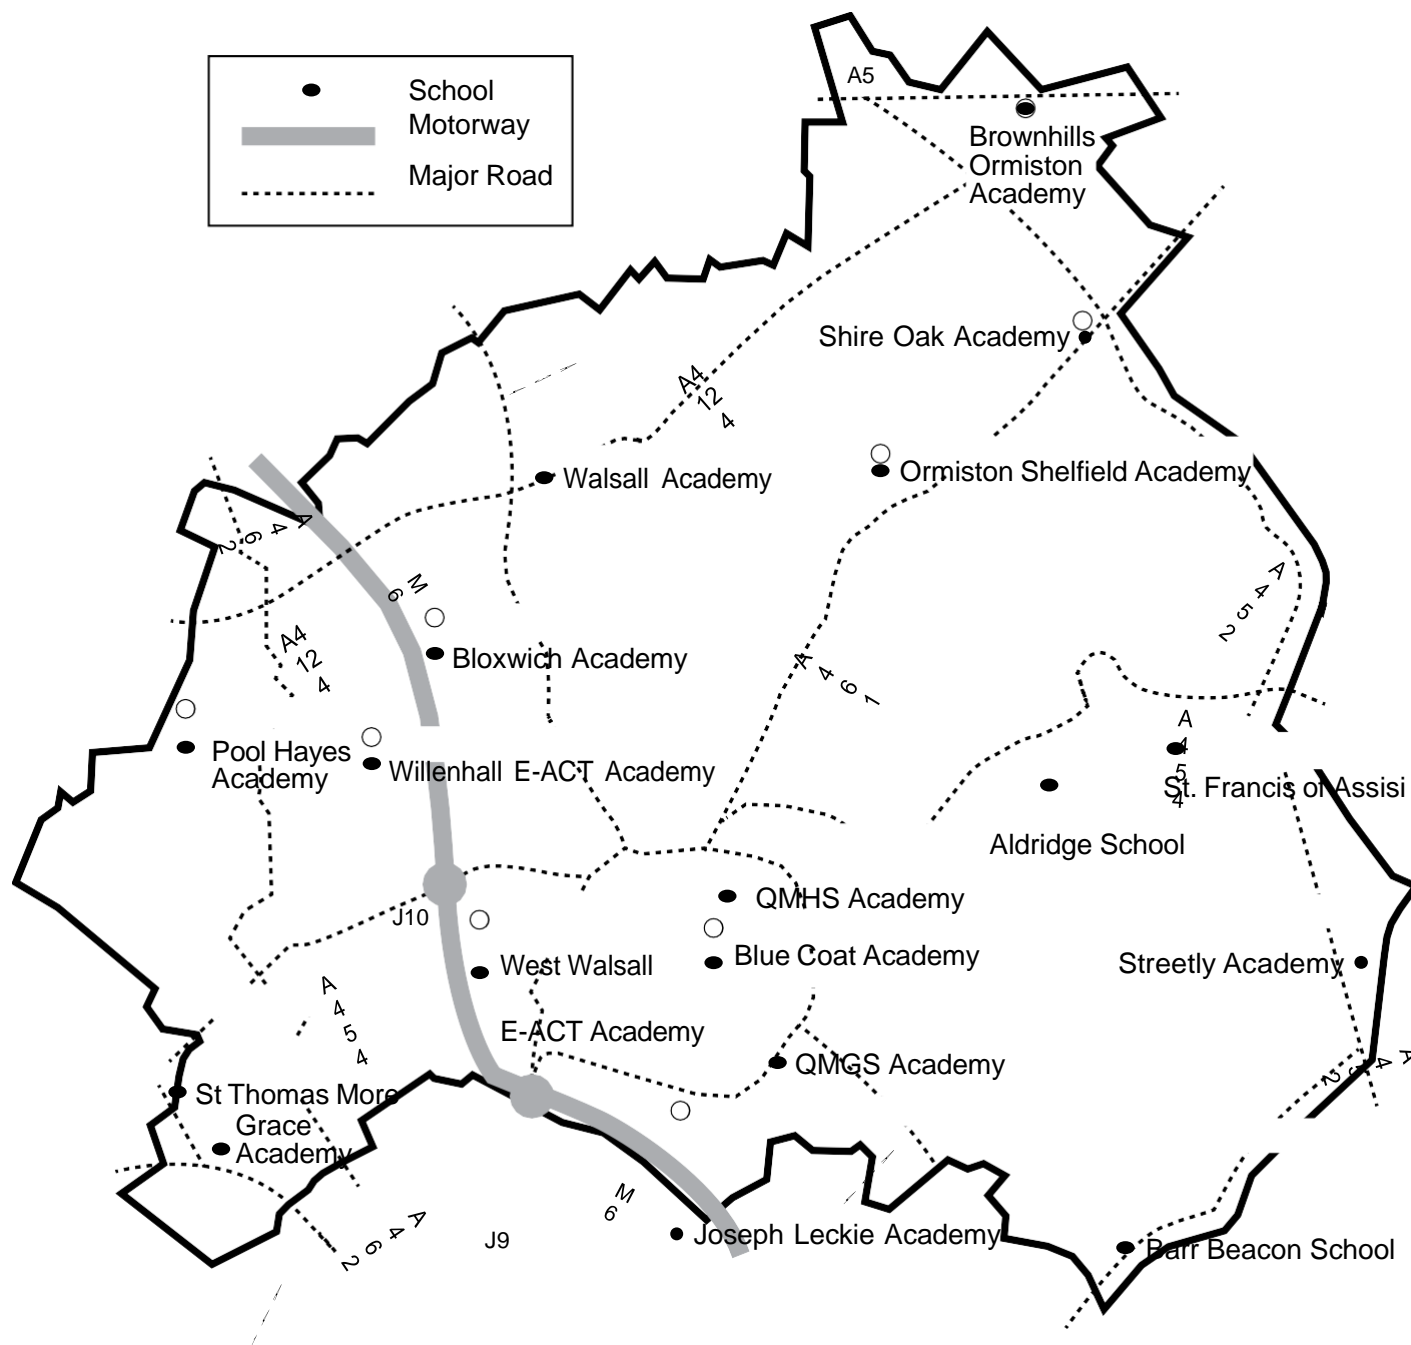

What are the chances of getting my child into the school I want?

It is not possible to give guidance that will guarantee a place at a particular school. However, if you take time to consider the following, it may increase the chances of one of your preferences being offered:

- Read the 'Information for Parents' booklet thoroughly.
- Only submit an on-line application to Walsall Council if you live in Walsall. If you live outside Walsall you must apply to the local authority where you live (your home Local Authority).
- Do any of your preferred schools require another form to be sent in? For Walsall schools check 'How to Apply' in the school information pages. For schools outside Walsall, check the information booklet or the website for the relevant local authority.
- Give the name and date of birth of any sibling who is already at a school you are applying for, and who will still be in attendance in September 2021, remembering Shire Oak Academy accept former siblings as a connection.
- Check the admission criteria for your preferred school carefully. Does your child meet the criteria for the school(s) you prefer?
- Be realistic, would your child have met the admission criteria last year, or the year before? If in doubt, please contact the School Admissions and Appeals Team for guidance.
- Make sure you include as a preference at least one school where your child meets the admission criteria. This is likely to be a nearby school where one of the main admission criteria is distance. Requesting a local school may give your child the option to walk there.
- Do not include as preferences too many schools where you live further away than the cut-off distance in the past two years as this could prevent any of your preferences being offered.
- When you are naming your preferred schools, do not put the same preference down more than once. If you do, we will treat this as one application unless you are applying for a specialist Sports or Music place (please see School Information pages).
- You can name up to five schools that you would like your child to go to and rank them in order of preference. The school you name first should be the one you would most like your child to go to.
- List ALL preferences on your application.
- **You must submit your application (see page 4 for details) before 31 October 2021.**

Information provided by the school:

Brownhills Ormiston Academy is a smaller than average academy which prides itself on having traditional standards and being ambitious for its students. We offer a disciplined and positive approach that allows children to thrive in a safe, happy and academic environment. We have high expectations of all pupils in terms of behaviour, attendance, uniform and achievement. We expect respect for staff and fellow students and these core values are at the heart of everything we do.

It is essential that parents who choose the academy support these expectations and values in order to help their child be successful in the academy. As a minimum, we expect good attendance, punctuality, behaviour, smart uniform and hard work and we insist that parents support the academy in ensuring we achieve this with every child. We also expect parents to play an active part in their child's education. Our care and guidance for pupils is excellent with strong transition links to primary schools ensuring that year 6 pupils make a confident start to their secondary education.

On April 1st 2020, we chose to become an academy with Ormiston Academies Trust in order to give our students and staff a wider range of development opportunities within a family of 9 Midland secondary schools and 41 schools nationally. We are enjoying the benefits and increased support of this wider network.

Ofsted praised the school for its outstanding Leadership and Management in 2013 commenting on the drive for continual improvement. In May 2017 we enjoyed a one-day Ofsted inspection for GOOD schools, which reinforced these grading's and confirmed that we continue to be a very good school. Ofsted stated that the leadership of safeguarding and teaching and learning is a strength of the school. It noted "staff ensure that the well-being and safety of pupils are of the highest priority. Leadership is clear, thorough and compassionate and consequently, a culture of shared responsibility exists among staff and Governors. A caring and professional approach contributes strongly to the positive ethos in the school."

Ofsted noted that our students are polite and friendly to each other and visitors. Their attitudes to learning are good and they are proud of the changes that have taken place over recent years that, they say have made us an even better school.

Ofsted also complimented staff on "having a clear understanding of what needs to be done to ensure that all pupils at the school fulfil their potential. Leaders have clearly identified the strengths and weaknesses of the school and developed a Leadership Team with the capacity to improve the school further."

We are clearly focused on what we need to do to secure excellence in all areas of academy life and we are ambitious for our young people. It is pleasing that Ofsted validated our very accurate self-evaluation. At Brownhills Ormiston Academy we work very hard to improve the academy for the benefit of our students and parents.

The academy is recognised as a centre of excellence for music and the performing arts with the academy choir VIP (Voices in Partnership) winning national competitions. Musical productions take place each year with several students going on to professional careers in the performing arts and music. Dance is now a strength of this programme.

Formerly designated as a Sports College, teams are organised in all sports and competitions and we have a house system and a Leadership Academy to promote leadership skills in sport. The academy holds the Gold Quality Mark from the Youth Sports Trust for its excellent provision and participation in sport. The academy is involved in a national University of Oxford Mindfulness Project, which promotes well-being for students.

The academy offers a broad and balanced curriculum, which includes additional courses for gifted and talented students and individual support and specialised tuition for students with special educational needs. There is an extensive extra-curricular programme with activities to suit all abilities and interests. We have annual trips, which include a ski week in Switzerland, a trip to Euro Disney in Paris and a range of educational visits to local and national places of interest.

Our geographical position makes Brownhills Ormiston Academy accessible for Walsall and Staffordshire children. Subsidised bus routes are available to support parents who wish to seek the right secondary school place for their child regardless of the distance to be travelled. The academy is now oversubscribed as a result of its good reputation and high standards.

Ormiston Shelfield Community Academy

- Our three core drivers of **Outcomes, Values and Choices** are at the heart of our daily actions and interactions. Our aim is simple; by rigorously instilling our **values**, students achieve positive **outcomes** enabling them to make considered life **choices** which open doors to the opportunities they deserve.

Outcomes

- We educate our students to understand that 'outcomes' means academic attainment and progress, development of values and character and progression to their preferred destinations. We support our students to achieve academic qualifications that empower them to seize opportunities and advance to the next stage of their chosen educational journey. We empower our students to have the knowledge, skills, personal traits and experiences in order to seize career and life opportunities

Values

- We are ready, respectful and responsible. We are honest. We do what we say we'll do and do not make excuses. We are a team. Helping a member of our team is helping ourselves.

Choices

- We develop our students to have the strength of character and courage to do the right thing because it is the right thing to do. Our values support our students to make the life choices that will have a positive impact on their future and contribution to society. Being outcome focused and values driven, students take responsibility for their learning and actions which opens doors for them to have a breadth of choices when they leave school.

Curriculum Intent

Our intention is that all students achieve the best possible outcomes by studying an appropriate curriculum, applying themselves in every lesson and by developing a clear understanding of why achievement matters to their future goals, aspirations, and destinations. Our dedication to develop the whole child enables our students to leave the academy proficient in the skills that are vital for everyday life.

Students are provided with opportunities which will inspire, challenge and motivate them, gaining access to a curriculum that enhances their academic and personal development, providing knowledge, understanding and skills so that they value education and understand that outcomes mean results and character. Our curriculum is carefully designed and responsive to the needs of our students accounting for the community we serve. Our curriculum allows students to deepen their knowledge by embedding regular review and recall opportunities; alongside explicit interleaving this builds firm foundations for progression to the next level.

Students at our academy are safe, supported and successful. You can be confident that your son or daughter will be too.

The partnership between the academy, parents, carers and students is vital to ensure all students in our academy reach their full potential and that they are well prepared for the next stage of their lives, whether that be in further education or employment.

Our academy continues to go from strength to strength. We are proud to say that, based on most recent public examinations, we are one of the most improved secondary schools in Walsall and our Maths department is in the top 1% nationally for progress made, based on GCSE 2019 results. This is a result of our relentless focus on the quality of education our students receive, coupled with the superb level of pastoral care we provide. Whilst other schools and academies often comment on their struggles with recruiting quality, specialist staff, Pool Hayes has retained and recruited successfully. From the start of this academic year, we have even more outstanding teachers who have further strengthened our remarkable team. As Principal, I am very fortunate that our academy attracts high calibre staff due to the happy, warm and hard working environment and the reputation of Pool Hayes Academy as a great place to learn and work in.

We continue to focus on developing responsible, highly skilled global citizens who will have a positive impact on our community now and in future years. The academy remains committed to maintaining its strong links already established with charitable organisations, local employers and higher education establishments; these will be developed further to ensure that all students can benefit from these positive partnerships. Admission criteria:

Places are awarded by the Governors based upon the performance of children in the School's entrance test.

The PAN for entry to Year 7 is 180 pupils. As a selective school which offers places based on ability, the Governors are not obliged to admit pupils to the PAN.

In order to be eligible for admission to the school, candidates must achieve a minimum standardised score (the 'qualifying score') in the selection test. Where the number of applications for admission exceeds the number of places available at the school, places are offered to children as follows:

- A. *A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted who achieve the qualifying score by rank order of standardised score. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions as defined by section 22 (1) of the Children Act 1989. who achieve the qualifying score by rank of order of standardised score;*
- B. Children eligible for Pupil Premium* at the time of the test who achieve the qualifying score by rank order of standardised score but limited to no more than 54 pupils in this category;

If the number of students applying under this criterion exceeds the number of places available, priority will be given to students as follows

B (cont) B1. For those students attending a Primary School which is listed in Walsall Children's Services Directory for the academic year 2020/21 and who achieve the qualifying score by rank order of standardised score.

B2. For those students whom do not attend a Primary School which is listed in the Walsall Children's Services Directory but who achieve the qualifying score by rank order of standardised score.

C. Other children who have achieved the qualifying score by rank order of standardised score until the Published Admissions Number is reached.

If one or more candidates satisfy the admissions criteria and are equal on the order of merit, the positions in the three skills areas of the Test will be added together, and the candidate(s) with the lowest number will be offered the place(s).

** The School will require evidence to confirm Pupil Premium status*

Please note that due to Covid-19, the entrance test has been delayed this year until October 2020. As a result, the school will be taking applications up to 10th September 2020. The School will write to parents after the date applications close to explain what the arrangements will be.

Information provided by the school:

Queen Mary's Grammar School was founded in 1554 by Mary Tudor. We have been shaped by our past and we are proud of our traditions, but we are also confident of an exciting future as we help to shape the new educational landscape.

Queen Mary's is an academically selective school. It is our aim to support pupils to achieve their full academic potential. We value the life of the mind and we want to pass on a love of learning.

Outside the classroom, we offer a range of life enriching opportunities: time at our Field Centre in Wales; membership of our thriving Combined Cadet Force; individual and team sports; foreign exchanges and travel; participation in music, drama and many other activities. We believe that achievement and enjoyment go hand in hand.

We equip our pupils to meet the challenges of a rapidly changing world. Most choose to go on to higher education. Through partnership between School, pupil and parents, we aim for the examination success that will open doors to the very best HE institutions and international employers. We were rated as 'outstanding' by Ofsted and it is our mission to attain excellence in all that we do.

Our House system celebrates the four pillars of School life at Queen Mary's; an academic focus, an international ethos, an enterprising spirit and a generous approach to life. We enjoy our social, cultural and ethnic diversity and recognise our many privileges. We are keen to share what we have – experience, enthusiasm- both with those who live on our doorstep and those from further afield.

To do so is very much in the spirit of our motto ***quas dederis solas semper habebis opes***: it is what you give that you will keep as eternal riches.

The School is a Founder academy of a new Multi Academy Trust in Walsall: The Mercian Trust.

Our Trust is a group of Schools working together under a common banner, but each retaining their autonomy, unique heritage and distinct identity.

Pupils in the Mercian Trust will be part of a family of schools forming an educational community. We are convinced we are stronger together. The Trust is already shaping the educational landscape in exciting ways; every pupil in the Trust will be part of that story.

The school's high academic achievement is supported by a committed and skilled staff, and a learning environment in which family values and high moral standards are a leading principle.

In all year groups, lessons are designed to ensure that each student is challenged at the appropriate level, and to provide opportunities for developing teamwork, leadership, cooperation, listening and a variety of other skills.

Parents are supportive of the school's ethos, systems and procedures, and feedback shows that they feel fully informed about their child's progress, are comfortable to meet with staff, and are confident that the school is providing high quality learning experiences for their child.

The move to secondary school is a pivotal one in the life of any young person and choosing the right school can be challenging. Queen Mary's High School holds an Open Evening each year, and several Open Mornings throughout the year. To apply for a place you must complete **two forms**.

1. Apply on-line or complete your home authority's Preference Form and return by the date stated. For Walsall resident parents apply on-line by 31 October 2021.

AND

2. Complete the Shire Oak Academy Supplementary Form available direct from the Academy and return it to the Academy by **31 October 2021**.

If you require any advice or information before you complete your application, please contact the Parent Support Adviser via email schooladmissionsadvice@walsall.gov.uk.

Admission criteria:

If the number of applications exceeds the Admission Number, places will be allocated in the following order:

1. Children in public care (looked after children) and previously looked after children.
2. Sibling – pupils who have a sibling at the academy or are a sibling of a former pupil of the academy (that sibling having left the academy within the last 5 years (no earlier than the end of term in July 2017 subject to verification by the academy)
3. Medical factors – If parents believe there are specific medical reasons for claiming priority for a child to attend a particular school, the relevant part of the preference form must be completed and evidence to support the claim must be submitted with the form. This must relate to the child. Requests for such consideration will be subject to verification. Distance will be measured in a straight line from the centre point of the home address to the centre point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.
4. Children of staff at the Academy (subject to verification by the academy) - where the member of staff has been employed at Shire Oak academy for over twelve months at the time at which the application for admission is made.
5. Distance between the home address and the Academy as measured in a straight line, priority given to those living closest.

In line with Walsall Council's development proposals for special educational needs, the Governors at the Academy agreed to an additionally resourced provision being maintained within the Academy. The additional resources are deployed so that the needs of up to ten children in total who have specialised learning needs (including dyslexia) can be met. The children would be of compulsory school age.

It may be considered appropriate to offer a place in our enhanced learning facility for specialised learning needs to those students who, despite sustained intervention at School Action Plus, have made little or no progress, taking into consideration the points above. However, in the event of there being restricted places then children and young people with a Statement of SEN giving specialised learning needs as their primary special need would have first priority in accessing the resource. It follows that these children could be placed into the school to benefit from the developed expertise and additional resources available to meet their needs. These children could be placed over and above the admission number published for the Academy.

Note 1: Children with a statement of special educational need will be given priority. This will reduce the number of places available to applicants.

Note 2: Evidence of Catholic Baptism or reception into the Church will be required. Those who face difficulties in producing written evidence of baptism should contact their Parish Priest.

Note 3: In all categories, priority will be given to those who have a sibling or brothers or sisters who are legally adopted and attending St Francis of Assisi at the proposed time of admission. The definition of a sibling is:

- A sibling sharing the same parents;
- Half-brother or half-sister, where two children share one common parent;
- Step-brother or step-sister, where two children are related by a parent's marriage;
- Adopted or fostered children
- A sibling must be living at the same address

Note 4: If there is oversubscription within a category, the Governors will give priority first to siblings, then to children living closest to the school. The distance will be measured in a straight line from the centre point of the home address to the centre point of the school address, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Any supporting evidence/letters of support should be sent direct to the school together with the supplementary information form.

Admission criteria:

1. Baptised Catholic children (see Note 2 below) who are looked after or previously looked after (See Note 3 below)
2. Baptised Catholic children (see Note 2 below) currently attending a named feeder school (see Note 5 below)
3. Baptised Catholic children of staff (see Note 7 below)
4. Other Baptised Catholic children (see Note 2 below)
5. Non-Catholic children who are looked after or previously looked after (see Note 3 below)
6. Non-Catholic children with a sibling attending St Thomas More Catholic School at the time of application (see Note 4 below)
7. Non-Catholic children currently attending a named feeder school (see Note 5 below)
8. Non-Catholic children of staff (see Note 7 below)
9. Non-Catholic children currently attending a Catholic school
10. Other Non-Catholic children

Note 1: Children with an Education, Health and Care (EHC) Plan that names the school MUST be admitted. This will reduce the number of places available to applicants. This is not an oversubscription criteria.

Note 2: In all categories, for a child to be considered as Catholic, evidence of Catholic Baptism or Reception into the Church will be required. For a definition of a Baptised Catholic, see the Appendix. Those who face difficulties in producing written evidence of a Catholic Baptism or Reception into the Church should contact their Parish Priest.

Parents making an application for a Catholic child should also complete a Supplementary Information Form (SIF) which should be returned directly to the school. If you do not provide the information required in the Supplementary Information Form and return it by the closing date, together with all supporting documentation, this is likely to affect your child's chance of being offered a place at this school.

For the purposes of this policy, a looked after child living with a family where at least one of the carers is Catholic will be considered as Catholic. The carer must forward a copy of their own Catholic Baptismal or Reception certificate directly to the school in order for this priority to be given to the child as failure to do so will result in the looked after child being ranked as a non-Catholic.

Note 3: A "looked after child" has the same meaning as in section 22 (1) of the Children Act 1989, and means any child who is (a) in the care of the local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making the application to the school. A "previously looked after child" is a child who immediately moved on from that status after becoming subject to an adoption, child arrangement order or special guardianship order and includes those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.

For the purposes of this policy, a looked after child living with a family where at least one of the carers is Catholic will be considered as Catholic. The carer must forward a copy of their own Catholic Baptismal or Reception certificate directly to the school in order for this priority to be given to the child as failure to do so will result in the looked after child being ranked as a non-Catholic.

Note 4: For all applicants the definition of a brother or sister is:

- A brother or sister sharing the same parents
- A half-brother or half-sister, where two children share one common parent
- A step-brother or step-sister, where two children are related by a parents' marriage or where they are unrelated but their parents are living as partners
- Adopted or fostered children

The children must be living permanently in the same household.

Note 5: The named feeder schools for St Thomas More Catholic School are:

St. Joseph's Catholic Primary, Darlaston

Corpus Christi Catholic, Wednesfield

St. Patrick's Catholic Primary, Walsall Holy Rosary Catholic, Wolverhampton

St. Mary's The Mount Catholic Primary, Walsall (also a feeder school for St Francis of Assisi)

Holy Trinity Catholic, Bilston

St. Thomas of Canterbury Catholic Primary, Walsall St. Teresa's Catholic, Wolverhampton

St. Peter's Catholic Primary, Bloxwich

Note 6: Distance will be measured in a straight line from the centrepiece of the home address to the centre point of the school addressing the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority. In a very small number of cases, where the school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place when applying the published admission criteria. For example, this may occur when children in the same year group live at the same address, or if the distance between the home and the school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both, or all, of the children would cause the Published Admission Number for the child's year group to be exceeded the Governing Body will randomly select the child to be offered the final place.

The governing body will, where possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's published admission number.

A child's home address is considered to be a residential property that is the child's only or main permanent residence and is either:

- Owned by the child's parent (s);
- Leased to or rented by the child's parents (s) under lease or written rental agreement of not less than twelve months duration.

Evidence of ownership or rental agreement may be required, plus proof of permanent residence at the property concerned.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives for the majority of the week. Parents may be requested to supply documentary evidence to satisfy the Governing Body that the child lives at the address put forward by the parents.

If a place in the school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to be withdrawn.

Note 7: For children to be prioritised as children of staff, the staff member must have been employed at the school for two or more years at the time at which the application for admission to the school is made or the member of staff has been employed at the school for less than two years but has been recruited to fill a vacant post for which there is a demonstrable skill shortage.

APPENDIX

Definition of a "Baptised Catholic"

A "Baptised Catholic" is one who:

Has been baptised into full communion (Cf. Catechism of the Catholic Church, 837) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome. Written evidence of this baptism can be obtained by resource to the Baptismal Registers of the church in which the baptism took place (Cf. *Code of Canon Law*, 877 & 878).

Or

Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the Rite of Reception took place (Cf. *Rite of Christian Initiation*, 339).

NB. All parents should complete a Supporting Evidence Form and return it to St Thomas More School. If your child is a baptised Roman Catholic, please attach a copy of his or her baptismal

certificate. This evidence should be returned to the school. Failure to complete and return the Supporting Evidence Form may affect the criterion in which the child's name is placed.

REPEAT APPLICATIONS

Any parent can apply for a place for their child at any time outside of the normal admissions round. Parents do not have the right to a second appeal in respect of the same school for the same academic year unless, in exceptional circumstances, the Governing Body has accepted a second application from the parent because of a significant and material change in the circumstances of the parent, child or school, but have still refused admission.

LATE APPLICATIONS

Late applications will be dealt with in accordance with the Local Authority's co-ordinated admissions scheme. This states that all applications received after the closing date of 31 October 2021 will be classed as late applications.

Applications received between 1st November 2021 and 29th November 2021 may be considered as on time but only where there are exceptional circumstances, for example:

- Where the family was unable to complete the on-line form by the closing date because they moved into the borough of Walsall after the closing date of 31st October 2021.
- The family was unable to comply with the admission timetable because of exceptional circumstances which prevented the on-line form being submitted on time.
- When a lone parent has been ill for some time.

In these cases the circumstances must be given in writing at the time of application and attached to the Late Preference Form. They will then be verified by the Executive Director of Children's Services, Walsall Council.

Applications received between 30th November 2021 and 28th February 2022 will be considered only after all other applications received on time.

Please note that any change in preference after the closing date will be regarded as a late application and will be considered under the above policy.

You are encouraged to ensure that your application is received on time.

CHANGE IN PREFERENCE

Up to the closing date of 31st October 2021, parents may change their preferences if they wish to do so. After the closing date any change in preference, other than in exceptional circumstances, will be regarded as a late application and will be considered under the published late application policy. Documentary evidence is required to support claims of exceptional circumstances.

The admissions process for St Thomas More Catholic School is part of the Walsall Local Authority co-ordinated admissions scheme. To apply for a place at St Thomas More Catholic School in the normal admissions round, an application must be made using the school admission application process of the local authority in which you live naming St Thomas More Catholic School on the application form. Applications need to be made by 31st October 2020. A Supplementary Information Form (SIF) must also be completed and returned directly to the school by the same date (see Note 2).

All applications which are submitted on time will be considered at the same time, after the closing date.

You will be advised of the outcome of your application on 1st March 2021, or the next working day, by the local authority on behalf of the school.

Please note that throughout this policy, the term parent relates to any individual with responsibility for a child for whom an application is being made.

The ethos of this school is Catholic. The school was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. As a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. All parents are therefore expected to give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of a parent who is not of the faith to apply for a place for their child at the school.

The governing body is the admissions authority and has responsibility for admissions to this school. The governing body has set its admission number at 243 pupils to be admitted to Year 7 in the school year which begins in September 2020 (see Note 1 below).

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority. If there is oversubscription within a category, the Governing body will give priority firstly to children who will have a brother or sister (see Note 4) attending St Thomas More Catholic School at the time of admission and then secondly to children living closest to the school determined by the shortest distance (see Note

Total No. of Pupils (May 2019): 979

How to apply for a place:

To apply for a place you must complete **two** forms.

- 1) Apply on-line to your home Authority or complete your home Authority's Preference Form and return by the date stated. For Walsall resident parents, apply on-line. Your application must be submitted, as stated, by **31 October 2021**.

AND

- 2) Complete the Walsall Academy Registration Form - available direct from the school - and return it to the school by **4pm 29 September 2021**.

Please note: Parents/Guardians should fill in both the Walsall Academy form and submit all applications to their home Local

Authority for the application to be considered within the nationally agreed timescale.

Parents who consider that their child has a disability under the terms of the Disability Discrimination Act (1995) which would disadvantage him/her during the application of the school's admission procedures should contact the Head at the earliest opportunity to discuss possible special arrangements for Admission Testing. Please advise the Academy if you have a disability or special needs which would affect your ability to attend the Information Evening or access any information, also it would be helpful for you to have an interpreter present at the Information Evening.

Admission criteria:

Admissions Oversubscription Criteria

When the number of applications for admission is greater than the places (168 pupils plus 40 additional places approved by Governors, 208), the Academy will be oversubscribed and all applications will be considered against the criteria set out below and places will be allocated in the following order:

Banding of Applicants

Applicants will be placed in one of nine ability bands based upon their score in the NFER (National Foundation of Education Research) Non-Verbal Reasoning Test.

Band	1	2	3	4	5	6	7	8	9	total
% in normal distribution	4%	7%	12%	17%	20%	17%	12%	7%	4%	100%
Number of places (if 208 allocated)	8	15	25	35	42	35	25	15	8	208

All children who apply for a place at the Academy will be invited to attend an assessment, namely the NFER Non-Verbal Reasoning Test. The assessment will last one hour and will be held at Walsall Academy. Children cannot "fail" the NFER assessment and therefore any request to re-sit the assessment will be refused.

The assessment results will be used to ensure that the Academy admits the full range of ability of applicants for the school (through a normal distribution of ability). Parents will be advised of the results of the NFER test and the Academy will take all reasonable steps to advise parents of the outcome in accordance with the Statutory Code. If an applicant fails to sit the admissions assessment, their application will be deemed to be withdrawn.

Looked After Children and Previously Looked After Children

Children in Public Care (Looked after Children) will be given highest priority for admission within each band. Looked after Children are children who are in the care of a local authority or provided with accommodation by a local authority. This also includes previously looked after children who were looked after, but ceased to be so because they were adopted, became subject to a residence order or special guardianship order.

Children of staff at the school are given the next priority in each band

Where a member of teaching staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

Distance from the Academy

After Looked After Children and children of staff at the school, proximity to the Academy will be used combined with banding to decide who will be offered places. From within each of the bands the applicants that live closest to the Academy (not their ranking within the band) will be given priority for admission.

Distance is calculated in a straight line from the centre point of the home address post code to the centre point of the Academy. Home address is classified as the permanent residence where the applicant is living at the time of the offer and there must be evidence it is not temporary or for the purposes of gaining advantage to seek admission. The Academy may ask for proof in such cases where it may be suspected that unfair advantage is being sought by applicants on the issue of residence. Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, the main residence will be determined as the address where the child spends the majority of the week. Documentary evidence may be required in such cases.

Where there are insufficient children in a particular band, the next nearest child will be selected from the band below, then the band above.

Tie Breaker

Where two applications cannot otherwise be separated, the place will be offered on the basis of random allocation.

How places were offered for September 2020 and 2021:

There were 748 applications for places in September 2020 and 798 applications for places in September 2021. Places were offered to pupils in accordance with the Academy's admission criteria.

Information provided by the school:

Our ethos is a simple one: 'Everyone has the right to be the best version of themselves that they can be; we all have the responsibility to make this happen' and everyone at the Academy now buys into this with good behaviour and strong learning ethos in classrooms.

The academy is committed to providing the very best education for all our students through hard work, support and challenge.

We value each and every student as an individual, regardless of gender, faith, ethnicity or ability and ensure that they are safe and supported in their studies. We expect all members of the academy to share these beliefs and make a clear commitment to giving of their best at all times, within the academy and in the surrounding community.

We have high expectations of all our students and demand the highest standards of behaviour and attendance at all times. Learners have a right to learn in a calm and supportive environment which stimulates the mind and pushes the boundaries of their understanding. The academy uniform is smart and functional and clearly demonstrates a pride in what we stand for. The use of rewards is central to our positive and our on-line system, Vivo, allows students to take an active role in managing their achievements and selecting their own rewards.

Teaching builds on the foundation learning established at our partner primary schools and promotes an active engagement in the learning

process through meaningful dialogue and interactive challenge. Lessons in Key Stage 3 (Years 7 and 8) focuses on the development of knowledge and the acquisition of essential skills in a broad range of subjects and in particular in literacy and numeracy. Our students follow a broad and balanced curriculum, just as at other schools, and have a full range of options in Years 10 and 11, creating flexible pathways that allow all students to personalise their learning journey and follow areas of interest or expertise alongside studying in the essential core subjects of English, Mathematics and Science and other EBACC subjects.

Facilities are good and we consistently strive to update them. Increasing use is made of ICT-based learning technologies to engage and enthuse learners. The Academy site is also the location of the Innovation Centre, a 21st century facility designed to combine the delivery of learning with active business engagement. The centre provides learning space for Post 16 subjects, as well as meeting rooms and training facilities for members of Walsall's wider learning community.

Child B is an 8 year old child whose parents are in receipt of their maximum level of Working Tax Credit. Child B would be entitled to a free scholars bus pass to school 'y' but not to school 'z'.

Child C is an 8 year old child whose parents are not in receipt of their maximum level of Working Tax Credit and who is not entitled to free school meals. Their nearest qualifying school is 2.5 miles from their home. Child C would not be entitled to a free scholars pass.

How the Inter-LA Co-ordinated Admission Scheme works

1. The Inter-LA Co-ordinated Secondary Admission Scheme allows parents/carers to express preferences for up to 5 secondary schools, rank them in order of preference and, if appropriate, give reasons for their preferences (e.g. medical or social reasons).
2. Parents/Carers who live in the borough of Walsall submit an application on-line at www.walsall.gov.uk/education to apply for a place at any secondary school in Walsall or at a secondary school outside Walsall (**do not** name Palfrey Girls' School, Abu Bakr Girls' School, Abu Bakr Boys' School or Hydesville Tower School on the form). Each school named is regarded as a separate application.
3. The national closing date for secondary applications is **31 October 2021**.
4. **IMPORTANT** - If you name any of the following schools on your on-line application, you must also complete the school's own Registration/Supplementary Information Form, available to download from the Walsall Council website (www.walsall.gov.uk)

- **Aldridge School Specialist Music Place**
- **Blue Coat CE Academy**
- **Brownhills Ormiston Academy**
- **Ormiston Shelfield Community Academy**
- **Ormiston Shelfield Community Academy – Specialist Sports Place**
- **Queen Mary's High School (for Girls)**
- **Queen Mary's Grammar School (for Boys)**
- **Shire Oak Academy**
- **The Walsall Academy**

Other schools outside Walsall may also require you to complete a registration form or supplementary information form so please remember to check with the relevant local authority.

5. If you wish to express a preference for either or both of Walsall's Catholic Secondary Schools, you will need to send any supporting information, e.g. Baptismal Certificates and a Supplementary Information Form, direct to the school.
6. Schools where the Governing Body is the admission authority will be informed of all applications naming their school, but not the rank given by you. However, once places have been offered your rankings may be disclosed to a school if you request an admission appeal.
7. After the Closing Date of **31 October 2021**, the admission criteria for each of the schools for which you have expressed a preference will be applied by the appropriate admission authority to determine whether your child meets the school's admission criteria and could be offered a place.
8. The admission authorities will inform us whether your child meets their admission criteria and could be offered a place. If your child meets the admission criteria of only **ONE** of your named schools, you will be offered a place at that school.
If your child meets the admission criteria of **TWO** or more of your named schools, you will be offered a place at the highest ranked of those schools.
If you are a Walsall resident and your child does not meet the admission criteria of any of your named schools, we will offer a place at an alternative Walsall school with places available.
If you live outside Walsall and do not meet the admission criteria of any of your named schools, your child will not be offered a place at an alternative Walsall school, but your home authority is responsible for offering a place at an alternative school in your home authority area.
Parents will not be able to hold places at more than one secondary school. If your application for any preferred Walsall school is unsuccessful, please read the Waiting List Policy on page 50.
9. On the National Notification Date, 1 March 2022, Walsall Council will write to all parents resident in Walsall on behalf of the relevant admission authority, informing them of the outcome of their applications. If appropriate, this letter will also inform you of the reason for the refusal of a place, your right of appeal and will give you contact details for appeal information. – check re letters/email.
10. Examples – the examples shown on the following two pages will help you to understand how places will be offered using the Inter-Local Authority Co-ordinated Secondary Admission Scheme.

Examples of how the Inter-LA Coordinated Scheme works:

These four examples use the names of fictitious schools.

Hassan lives close to Grangetree School and even closer to Roundhill School. His parents know that they live a long way from High Fields School which is usually oversubscribed but they want to see if he will be offered a place there.

The school they really prefer is Holmetown Boys' Grammar, but they mistakenly think they should rank other schools higher in case Hassan does not do well in the grammar school's examination.

Ranked Order	School	Hassan's Details	School's Admission Criteria Met?	Place Offered?
1	High Fields School	Lives 2½ miles away	No	No
2	Roundhill School	Lives ½ mile away	Yes	Yes
3	Grangetree School	Lives 1 mile away	Yes	No
4	Holmetown Boys' Grammar	Has taken the examination	Yes	No
5	Marsh Hill School	Lives 1 mile away	Yes	No

Hassan lives too far from High Fields to be offered a place. He qualified for places at Roundhill, Grangetree and Marsh Hill. He also qualified for a place at Holmetown Boys' Grammar School because of the score he accumulated in the examination. His parents would have preferred a place at Holmetown Boys' Grammar but the other schools for which Hassan also qualified were ranked higher. **He is offered a place at Roundhill, the highest ranked of the four schools for which he qualified.**

If Hassan's parents had ranked Holmetown Boys' Grammar first they would have been offered a place there.

Louise's nearest school is Marsh Hill. Her parents would like her to go to High Fields, slightly further away, or to Bishop Green, a Catholic school that is a short bus ride away. They also want her to sit the test for Holmetown Girls' Grammar School.

Ranked Order	School	Louise's Details	School's Admission Criteria Met?	Place Offered?
1	Holmetown Girls' Grammar	Has taken the examination	No	No
2	High Fields School	Lives ¾ mile away	Yes	Yes
3	Bishop Green Catholic School	Is a baptised Catholic in a feeder primary school	Yes	No
4	Marsh Hill School	Lives ½ mile away	Yes	No
5	Grangetree School	Lives 3 miles away	Yes	No

Louise did not achieve a high enough score in the grammar school examination to be offered a place at Holmetown Girls' Grammar School examination. She met Bishop Green's criteria because she is a Catholic and attends a Catholic feeder primary school. She also meets the admission criteria for Marsh Hill, High Fields and Grangetree because she lives close to all the schools.

Louise is offered a place at High Fields because the school was ranked higher than Bishop Green, Marsh Hill or Grangetree.

Further examples of how the Coordinated Scheme works:

Joshua lives ½ a mile from Wellbourne, his local school, but his parents don't want him to go there. They do not want their son to sit a grammar school test and prefer a place for Joshua at a local Church of England school. The other schools they named on their application are a long distance from their home.

Ranked Order	School	Joshua's Details	School's Admission Criteria Met?	Place Offered?
1	St Paul's Church of England School	Lives 1 mile away	No	No
2	Hall View School	Lives 3½ miles away	No	No
3	Grangetree School	Lives 4 miles away	No	No
4	Marsh Hill School	Lives 3½ miles away	No	No
5	High Fields School	Lives 4 miles away	No	No

Joshua lives close to St Paul's but did not meet the religious criteria of the school and did not qualify for a place. He lives too far from his parents' other four preferences to qualify for places.

None of his parents' five preferences could be met. His closest school, Wellbourne, filled its places with children whose parents had ranked it as one of their preferences. **The local authority therefore offers Joshua a place at Hempley Hall School. This school is 3 miles from his home, but was offered by the local authority, as it was the nearest school with places still available.**

Jagdeep lives 1½ miles from Hall View School and 2 miles from Grangetree. Jagdeep lives in the catchment area of Kingsmere Academy (which is the only school with a catchment area) and her parents want her to sit the Academy's assessment tasks. Their closest school is Roundhill.

Ranked Order	School	Jagdeep's Details	School's Admission Criteria Met?	Place Offered?
1	Kingsmere Academy	Has sat the assessment tasks	Yes	Yes
2	Hall View School	Lives 1½ miles away	Yes	No
3	Grangetree School	Lives 2 miles away	Yes	No
4	Roundhill School	Lives ½ mile away	Yes	No
5	Marsh Hill School	Lives 2½ miles away	Yes	No

Jagdeep did the assessment tasks for Kingsmere Academy and her score in the tasks was average. As Jagdeep lived closer to Kingsmere than other children in the catchment area with a similar score she qualified for a place.

Jagdeep qualified for a place at Grangetree, Hall View and Marsh Hill because all schools offered places to everyone who lived within 3 miles. She also qualified for Roundhill because it was able to offer places to all applicants.

Because Jagdeep qualifies for five of her parents' preferences, the school ranked highest by her parents, Kingsmere Academy, is offered.

Late Application Policy

Secondary school applications can only be made through Walsall Council's on-line portal up to 31 October 2021. Any applications (and where appropriate, a school's own Registration/Supplementary Information Form) submitted after the closing date of 31 October 2021 will be classed as late applications. Any request to add additional schools or change the ranking position of your named schools after the closing date will mean that the whole application will be classed as late.

Late applications are considered for places after applications that were received by the closing date of 31 October 2021. Therefore late applicants will be less likely to be offered a place at one of their preferred schools.

Each admission authority is required to publish its own Late Application Policy that explains how late applications will be dealt with. Details of each school's or Local Authority's late application policy is available on their website or upon request from the school or Local Authority.

Walsall Council's Late Application Policy is set out below and is applicable to any Walsall secondary school that does not publish its own late application policy.

Late Applications received up to 4 weeks after the Closing Date (between 1 November 2021 and 29 November 2021):

Late applications received up to four weeks after the Closing Date may be considered as being on-time but only where there are exceptional circumstances, including:

- Where the family were unable to submit their online application to Walsall Council on time because they moved into the Borough of Walsall after the Closing Date;
- The family were unable to comply with the admission timetable because of exceptional circumstances which prevented them from submitting their online application;
- When a single parent has been ill for some time.

In these cases, the circumstances must be given in writing at the time of application. Supporting evidence must be provided and will be subject to verification by Walsall School Admissions and Appeals Team

Late Applications received more than 4 weeks after the Closing Date (between 30 November 2021 and 28 February 2022):

Applications for schools received more than 4 weeks after the closing date but before the notification date will be considered only after all other applications. Please note that you if you submit a late application then you may not receive your offer until after National Secondary Offer Day.

Late Applications received after Notification Date of 1 March 2022

Applications received after the notification date: a place will be offered at the highest ranked school if places are available. For Walsall residents, if a place is not available at any of the preferred schools a place will be offered by Walsall Council at the nearest alternative Walsall school with vacant places, after consultation with the relevant admission authority and the child's name will be added to the waiting list for schools listed as preferences in admission criteria order.

If the deadline for applications through Walsall Council's On-Line portal (31 October 2021) has passed then applicants will be required to submit a late application form. Please visit the School Admissions pages of Walsall Council's website for details of how to submit a late secondary school application. Visit: www.walsall.gov.uk/secondary_school_admissions

Waiting List Policy for Admission to Year 7

Waiting lists for all Walsall secondary schools, except Walsall Academy, will be maintained by Walsall Council until 31 December 2022. Parents may enquire about their child's waiting list position by contacting the School Admissions and Appeals Team at schooladmissionsadvice@walsall.gov.uk. Parents who wish to enquire about their child's position on the waiting lists for Walsall Academy should contact the school directly..

Waiting Lists are kept for all children who have been refused a place at any school which was ranked higher than the school at which they have been offered a place, for example

- If your child is offered a place at the school that you ranked 2nd on the application then your child's name will only be placed on the Waiting List for the Walsall school that you had ranked 1st
- If your child is offered a place at the school that you ranked 1st on your application then your child's name will not be added to any Waiting List kept for your other ranked schools

We aim to offer parents a place at the highest ranked of their preferred schools.

After 1 March 2022 a parent may contact the School Admissions and Appeals Team in writing, or by email, to apply for a place at an oversubscribed Walsall school. Their child's name will be placed on the school's Waiting List in admission criterion order. Any vacancies will be offered on the basis of the admission criteria for the school. Please note that pupils can move up and down on the waiting list throughout the admissions process.

How to appeal if your application is unsuccessful

Parents who do not obtain a place for their child at a preferred school may appeal against the decision not to offer a place. An independent Admission Appeal Panel will hear the appeal. The decision of an Appeal Panel is binding on the school, the parents, the Admission Authority and the Local Authority.

If you wish to make an appeal against a decision not to give your child a place at a Walsall school, please refer to the information on the individual School Information pages. Please check the date for each school on the Appeals Information sheet that will accompany your offer, as some schools have different return dates (e.g. Walsall Academy and Walsall Grammar Schools). If the school you wish to appeal for is situated outside Walsall you should contact the relevant local authority for information on their process. If an appeal is unsuccessful, the policy in all Walsall schools is not to hold another appeal in the same school year unless there are significant changes in the circumstances of the child or the school.

Offer of a place at a school

If you live in Walsall, Walsall Council will inform you of the result of your application by email on Monday 1 March 2022.

If your child meets the admission criteria of only **ONE** of your named schools you will be offered a place at that school.

If your child meets the admission criteria of **TWO** or more of your named schools you will be offered a place at the highest ranked of those schools.

If your child is a Walsall resident and they do not meet the admission criteria of any of your named schools we will offer your child a place at one of the Walsall schools with places available.

Your child will be offered a place at one school only. Parents will not be able to hold places at more than one school.

Withdrawing the offer of a place at a Walsall school

The offer of a place at an oversubscribed school may be withdrawn if your application contains fraudulent or intentionally misleading information that would prevent a place being given to a child with a higher priority. This may include, for example, where a false home address is given on the application.

Where a place is offered based on the address given on the application but the address is subsequently found to have changed, the place may be withdrawn.

Definition of Admission Criteria

Where a school is 'oversubscribed', i.e. more applications are received than there are places available, the school's Admission Criteria are used to decide who places are offered to.

Admission Criteria for each Walsall school are shown on the School Information pages. This section gives more information about the admission criteria used by most Walsall schools. However, you should read the information page for each school carefully, as some schools differ slightly.

Children with an Education Health and Care Plan:

Education for some children is provided in accordance with an Education Health and Care Plan. These children are placed in schools before applications for other pupils are considered.

1. Children in Public Care (looked after children and previously looked after children)

The definition of children in public care is children who are in the care of a local authority or provided with accommodation by a local authority and previously looked after children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order. These children are given priority over other children when applications are considered.

2. Pupils who have a sibling already in attendance at the school at the proposed time of admission:

The definition of a sibling is a child who resides at the same address as the child for whom a place is being requested, and is one of the following:

- a brother or sister sharing the same parents;
- half-brother or sister sharing one common parent
- step-brother or sister (i.e. related by parent's marriage)
- any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residence order).

The Local Authority will try to ensure that as far as possible siblings (including twins, triplets or children from other multiple births) can attend the same school. However, in the event that there is an insufficient number of places to allocate to twins, triplets etc., a decision will be made as to which child (ren) the place(s) will be offered. In this situation a place or places will be offered to the first born (older child (ren)) and in cases where this is not known, the offer will be decided by lot.

3. Relevant medical or social grounds that show that attendance at the school is essential and supported in writing by a medical practitioner or a social worker

If parents believe there are specific medical or social reasons for claiming priority for a child to attend a particular school, the relevant part of the on-line application must be completed and evidence to support the claim must be submitted. The evidence provided must relate to either the child or the parent/s, for example, where one or both parents or the child has a disability that may make travel to a school further away more difficult.

Requests for such consideration will be considered by the relevant school in accordance with their admissions policy and evidence will subject to verification. Please check whether the school that you wish to apply has this criteria as part of its policy.

Medical: Medical evidence **must be** submitted in writing from a medical practitioner and should state why the preferred school is the only school that can meet the child's needs.

Social: Social evidence **must be** submitted in writing from an appropriate professional and should state why the preferred school is the **only** school that can meet the child's needs.

4. Distance

Distance will be measured in a straight line from the centre point of the home address to the centre point of the school address using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Definition of a home address

The home address of a pupil is considered to be the permanent residence of a child in a residential property when the place is offered. The address must be the child's only or main residence and either:

- owned by the child's parent, parents or guardian or
- leased to or rented by the child's parent, parents or guardian under a lease or written rental agreement of not less than six months duration.

Documentary evidence of ownership or a rental agreement may be required together with proof of actual permanent residence at the property concerned. In certain circumstances the child's current school will be asked to verify the address given.

Where parents have shared responsibility for a child and the child lives with both parents for part of the week, the main residence will be determined as the address where the child lives for the majority of the week. **Parents may be requested to supply documentary evidence to support the address used for the application.**

The offer of a place is based upon the address of the child when the offer is made. If a child is offered a place at an oversubscribed school the place may be withdrawn if it is found that the child moved (before the place was offered) to a new address that was further away from the school, and the child would not have qualified for a place under the distance criterion.

In the event that a family moves between the application date and the date of offer, the parent(s), carer(s) or guardian(s) **must** inform the School Admissions and Appeals Team as soon as possible of these circumstances.

If the home address is a flat (or apartment) and there is more than one flat at the same address, priority will be given to applicants living at the lowest numbered flat and/or the flat on the lower floor.

General Information

School Hours and Term Dates. Details of Term Dates are published on the Walsall Council Website

Details of school hours are available from each school and are also shown in each school's prospectus or on the school's website.

Annual Governors' Report and Meeting for Parents

Under current legislation, every school Governing Body must produce an annual report for parents on the work of the school. Subject to the Annual Parents' Meetings (Exemptions) (England) Regulations 2003, Governing Bodies may be exempt from the requirement to hold a meeting for parents. Where a meeting is held, this usually takes place in the autumn term and parents are notified of arrangements by the school. This is an opportunity for parents to learn more about the school and to ask questions of the governors. Do try to attend these meetings if you can.

Entry for Examinations

A variety of public examination courses are available in all schools. The responsibility for deciding whether a pupil should, or should not, be entered for a particular level of any public examination in any subjects rests with the Head Teacher of the school.

Parents are advised to discuss subject choices and examination entries fully with their child's teachers before final decisions are made.

Charging and Remission Policy

Copies of the Authority's policy on charging and remission for school activities are available from Walsall Council. Each school can provide a copy of its own policy. These policies explain which school activities parents can or cannot be charged for and the circumstances in which they can be invited to contribute to the cost of such activities.

Private Property

Walsall Council and the governors of all Walsall schools will not accept responsibility for the loss of, or damage to, clothing or other items of private property. Pupils who bring to school mobile telephones, jewellery, calculators and other items of private property do so at their own risk. Responsibility for the insurance of such items rests entirely with the owner. Insurers do not accept liability for the loss of private property on school premises. This disclaimer does not affect your statutory rights.

Provision of Free School Meals

It is the duty of the Local Authority (LA) to provide a meal for those pupils who are eligible for free school meals. Schools and some Colleges also offer this facility to students who are receiving a support payment in their own right, up to the age of 20 years.

Minimum Entry Requirements for Year 12

Each school is required to publish in their school prospectus the minimum entry requirements for entry into Year 12.

Pupils will be considered for entry into Year 12 based upon their academic attainment and/or individual subject grade criteria and the availability and suitability of courses at the school. Entry into Year 12 is not dependent upon attendance or behaviour records.

Parents should contact schools directly to discuss making all applications for admission to year 12.

Pupils refused a place in Year 12 in their own school are entitled to appeal to an independent appeal panel.

Fair Access Protocol

Walsall has an agreed Fair Access Protocol which is available on the Walsall Council website.

Fair Access Protocols exist to ensure that access to education is secured quickly for children who have no school place, and to ensure that all schools in an area admit their fair share of children with challenging behaviour.

Along with devolved funding and responsibility for alternative provision, an agreed protocol encourages schools to work together in partnership to improve behaviour and tackle persistent absence.

The information contained in this booklet is correct at the time of publication in September 2020. It is, however, possible that there may be some later changes affecting points of detail.

Schools in September 2022

Year 7 Admission to Special Schools

This section provides information on Walsall Special Schools.

There are several special schools in Walsall which are provided to meet the complex learning needs of children with an Education, Health and Care Plan.

How to apply?

Children can only be admitted to a special school if they have an Education Health and Care Plan which names the school.

Parents of a child who is due to transfer to secondary school in September 2022 and who has an Education Health and Care Plan, or is currently undergoing the statutory assessment process may list a special school on their secondary application.

Applications for special schools must be made on a Special School Preference Form by Walsall residents, it is not possible to submit an online application for a special school. The Walsall Preference Form is available from September 2021 from the School Admissions and Appeals Team schooladmissionsadvice@walsall.gov.uk. Non Walsall residents who wish to apply for admission to a Walsall special school must apply directly to their home local authority.

Please note that it is important that if your child has a statement of special educational needs, or an Education, Health and Care Plan, or is undergoing the statutory assessment process it is essential that you discuss your preferences with the SENCO at your child's primary school and the SEND Team for your home local authority before submitting your application.
