11.05.2024	Autism Awareness (EY)	Microsoft Teams	15.30-17.00	FREE

Faraday Road = Families First at Faraday Road, Stafford, ST16 3NQ (FREE PARKING ON SITE)

Raising awareness and understanding of Autism; the key areas of difference; and strategies to implement good practice and create enabling environments. Appropriate for all staff

EY: To develop an awareness and understanding of Autism within Early Years. To develop an understanding of the Three Key Areas of Difference in relation to the EYFS Principles. To know the importance of understanding the individual pupil and their profile of strengths. Identify key areas to help pupils with Autism develop positive relationships. Develop an awareness of the sensory and communication differences that pupils may experience. Appropriate for all EYs staff.

With pride. With purpose. With you.
