Science Department

Dedicated A-level Physics teacher:

Dr K. Berry

Current A-Level Physics A course

- ▶ Currently we have 10 year 13 students and 3 year 12 students studying the OCR - Physics A course
- ▶ Each student has 6 dedicated lessons per week on a fixed timetable as well as independent study.

A-level break down

- ▶ OCR - Physics A
- ▶ 6 individual modules.
- ▶ 3 formal exams taken at the end of the course in May/June.
- ▶ Modules 3, 4, 5 and 6 are the core modules.
- ▶ Modules 1 and 2 are assessed throughout within PAGs and also application of knowledge
